

## PHAGE DISCOVERY WORKSHOP - LOGISTICS

### Venue:

- **Check-in at:**  
Patapsco Hall, Poplar Avenue, UMBC, Baltimore, MD 21250.  
The West Entrance is on the opposite side of Park Road at Poplar Ave & Park Road.
- **Campus Address:**  
University of Maryland Baltimore County (UMBC), 1000 Hilltop Circle, Baltimore, MD 21250.
- **Numbers to call:** Billy Biederman: 301 806 5508; Vic Sivanathan: 617 259 8952

### Arrival:

- **If driving:**  
Navigate to the UMBC Campus Address. To get to Patapsco Hall from the main entrance at UMBC Boulevard, make a right onto Hilltop Circle. [Hilltop Circle completes a loop around the UMBC Campus]. From Hilltop Circle, turn left on Commons Drive, make a right on Park Road, then another right onto Poplar Avenue. A campus map is available at [www.seaphages.org/meetings/26/](http://www.seaphages.org/meetings/26/). Once you have arrived, check-in at Patapsco Hall to obtain a parking pass and directions for long-term parking on campus.
- **By cab:**  
Provide the cab driver with the UMBC Campus address. Once on Campus, cabs should drop you off at the west entrance to Patapsco Hall (see check-in address above).

### Check-in:

- Check-in opens at 10 am Saturday morning. Once you have arrived at the West Entrance to Patapsco Hall, check-in with reception to obtain your room key and parking pass, if necessary. Then visit the HHMI SEA-PHAGES registration desk in Room 161, across from reception. We will be there to help you get situated.
- Lunch will be provided at noon at the Check-in area in Patapsco Hall.

### Meals:

- All meals will be provided by HHMI, and includes breakfast at Patapsco Hall, and lunch, dinner, and breaks at the Meyerhoff Chemistry Building, which is near the lab. Evening socials will be held in the Meyerhoff Building or in the Commons Building.

### Computers:

- The entire campus has free Wi-Fi. Choose "UMBC Visitor" access to connect. We encourage you to bring a laptop to the workshop. Some of the homework assignments will require accessing various websites and documents, and there are no TVs in the dorm room.

### How to get ready for the workshop:

- **Dorm Life:**  
The workshop will include a full immersion into the college campus experience. Your dorm rooms are suite-style; you will have a private bedroom with sink and vanity mirror. You will share a shower and toilet with one other participant in the neighboring suite. There are locking doors on each side of the bathroom – be mindful not to lock your suite-mate out of the bathroom when you are not using it.  
Your bed will be dressed and furnished with one pillow. HHMI will also provide a bath towels and a hand towel, a toiletry kit (shower, conditioner, bar soap), and a disposable trash can. Suites do not contain hairdryers, ironing boards, or televisions. There is a coin-operated washer and dryer that takes quarters (\$1.25 per load), and HHMI can provide laundry detergent if needed.  
You may choose to bring additional items to enrich your dorm experience (e.g. an extra pillow, bathroom flip-flops, etc.)
- **What to wear:**  
Lab coats will be provided. Dress comfortably. There will be a fair amount of walking outside between meeting locations, and there will be a good bit of time on your feet in the lab. Wear comfortable close-toed shoes. We will be in the lab every day, and its standard safety practice to protect your feet.
- **Fitness:**  
The main campus road (Hilltop Circle) is a 1.8 mile loop that is great for running or walking. Additionally, there is a fitness center (RAC) that you can access. The pool is not available for guests.

If you have any questions or concerns, please do not hesitate to ask HHMI Staff.
