Graham F. Hatfull

June 1st, 2017

Dr. Philip Matsumura
Editor, Genome Announcements

Dear Dr. Matsumura,

We are pleased to submit the manuscript 'Genome Sequences of Mycobacteriophages Kerberos, Pomar16, and StarStuff' by Jacobs-Sera *et al* for publication in *Genome Announcements*.

We look forward to hearing from you.

Yours,

A handwritten signature in cursive script that reads "Graham F. Hatfull". A horizontal line is drawn underneath the signature.
